Pollys Blinds is a family run Blinds, Shutters & Home Automation company based in Watford. In fact, we can help you with any style, colour, fabric or motorised type of blinds or shutters available.We are passionate about providing first class customer service from initial enquiry to installation. (Read Our 5 Star Reviews) Our product range covers most of your window dressing requirements and if there is something extra special we will happily source for you where possible.Our blinds factory is based in Essex and the blinds are hand made to order. Our Shutters are supplied by Scraft one of the UK's leading shutter suppliers. Our fitting team have been trained by some of the UK's major Blind and Shutter manufacturers and have many years of experience.Please Contact Us for more information or to arrange an appointment.
